KMSS, Chartered Professional Accountants, is a public accounting firm that truly values all its team members. We are committed to attracting, developing, and retaining highly qualified people. One of our most successful recruiting strategies is through our relationship with co-op students and our ability to offer full-time CPA Candidate opportunities upon graduation.

Our talented and dedicated team members provide the excellent service our clients expect. For over 35 years, KMSS has been offering an extensive range of accounting, tax, business advisory as well as consulting services to our clients. We serve a diverse clientele ranging from successful owner-managed entrepreneurial ventures to public companies, which provides you with an opportunity to work with a range of organizations in a variety of industries, thus supporting your professional career growth.

We are recruiting **co-op students** for our Calgary office. We are looking for individuals who are completing their second or third year of Management and wish to pursue a CPA designation.

Co-op Students at KMSS have the opportunity to experience several aspects of the CPA profession. You will be exposed to the entrepreneurial and business community through direct communication with our clients. You will also get to see the whole process of file completion from the planning stage through to taxes and financial statements. This work experience provides the foundation to develop the skills necessary to meet the challenges of the ever-changing accounting profession and successfully earn your CPA designation. Individuals interested in becoming a CPA would benefit from our training focus, hands-on approach, and diverse clientele. Energetic individuals with a positive attitude and collaborative approach fit well in our team-oriented atmosphere.

We foster performance coaching and recognition for excellence. We also have a mentor program that supports team members in their career development.

KMSS provides a competitive compensation package, a flexible and supportive environment to learn and grow, and an opportunity to be involved with exciting businesses in a range of sectors.

We will be scheduling interviews over the next few months. Let KMSS *kick-start* your CPA career. Be sure to visit our website at www.kmss.ca and forward your resume, cover letter and transcripts together in PDF format through your student career office or to careers@kmss.ca.
